P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

With the accompanying PTO/SB/08 equivalent form, Applicants have provided several sequences which were listed in a database compiled by Incyte and which were available to Applicants to purchase from Incyte if desired through a non-exclusive license obtained from Incyte. Incyte had also licensed access to the database to parties other than Applicants.

Applicants have not listed dates for each of the sequences on the PTO/SB/08 equivalent form because Applicants do not know the dates which these sequences were entered into the database. However, Applicants ordered Incyte EST Clone No. 368774 from Incyte on May 11, 1998.

Applicants respectfully request that the Examiner indicate consideration of the sequences provided herewith by initialing the PTO/SB/08 equivalent form.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
